TRAVEL, EXPLORE, DISCOVER...

The **Ultimate Adventure Moto – CHRIS BIRCH Special Southern Passes Adventure Tour** is the ultimate South Island adventure experience featuring KTM Adventure Ambassador and enduro legend **Chris Birch**! Spend 5 days riding alongside Chris on a unique tour starting and finishing in Christchurch - taking in some of the best of Canterbury, West Coast, Central Otago and Mackenzie country regions in the South Island.

This exclusive **Chris Birch** tour experience is limited to 12 participants only! Our guides will lead the tour with Chris riding as part of the group alongside all the tour participants. Nowhere else can you get such exclusive access to Chris on a small and intimate group ride. This is not a Chris Birch training ride or coaching clinic, however you may pick up a few tips and tricks from Chris as you enjoy the route.

You will enjoy a large range of riding experiences from breath-taking winding highways to backcountry gravel roads, climbing over some of the most famous high country stations to historic gold mining trails and alpine passes such as Arthurs Pass, Danseys Pass, Nevis Valley, Lake Onslow and Old Dunstan Road, you will definitely not be disappointed!

Four nights accommodation is included in the tour including overnights in Franz Josef, Queenstown, Alexandra and Omarama, providing a great look around some amazing NZ towns and local experiences.

The tour has an “off-the-beaten-track” focus with some highway riding to begin with, then into a lot of gravel roads, 4WD tracks and some stream crossings to keep the adrenaline pumping. The tour is therefore only suited to riders with gravel and off-road riding experience, and able to handle a large adventure motorcycle off the blacktop tar-sealed highway environment. Our expert guides will be there to assist, or offer advice and riding tips if required.

This is a unique adventure riding experience not to be missed.

So what are you waiting for? Join **Ultimate Adventure Moto NZ** with special guest **Chris Birch** and book your spot now!

Tap into their local knowledge and maybe even pick up some adventure riding tips along the way.

ROUTE IN DETAIL

Day 1 – Christchurch to Franz Josef – 410km+

Leaving Christchurch and heading west via some gravel roads and Lake Coleridge to the majestic Arthurs Pass. Experience jaw dropping scenery on this alpine highway through native forests and mountain valleys - you may even see a naughty Kea at the Otira viaduct. Then onto the rugged West Coast which doesn't disappoint with deserted coastal highways and great mountain scenery. Finishing Day 1 at Franz Josef township where you can get a look at the glaciers and unique coastal environment.

Day 2 – Franz Josef to Queenstown – 340km+

A highway transition day departing Franz and heading south via the West Coast and dense native bush into the Haast Pass before arriving at the first of the stunning southern lakes and the beautiful lakeside town of Wanaka where we stop for lunch. From here is through the Cardrona Valley with its famous historic pub, then over the stunning Crown Range and zig-zag road down to Arrowtown before arriving in the tourist mecca of Queenstown. For the adventurous and if time allows head into the historic skippers canyon for an amazing backcountry gravel excursion.

Day 3 – Queenstown to Alexandra – 280km+

Today's route winds down the side of Lake Wakatipu via the Devils Staircase to Garston where we meet our first real taste of back-country gravel. Climbing steeply up the base of the Hector Mountains to 1100m then traversing the famous Nevis Valley, with a good section of 4WD tracks and some creek and river crossings to keep the adrenaline pumping. Hawksburn Road power pylon track is up next before dropping into Clyde and past the hydro dam. If time is going well it is onwards to Cromwell for lunch then over some high country farm land and plenty of farm gates through Thompsons Gorge before dropping into the Manuherikia Valley and back to Alexandra to reminisce on a good day's back-country riding over a well earned refreshment or two.

Day 4 – Alexandra to Otematata – 330km+

Shortly after Alexandra a steep climb to over 1600m on a 4WD track onto the Old Man Range where the unique Obelix monolith stares out over the valley below, before descending back down and driving over the Roxburgh hydro dam. A short fuel and pie stop in Roxburgh before heading back country past Lake Onslow then back to civilisation at Ranfurly and Naseby. From there it's into the gravel action again thru rolling farmland before arriving at Kyeburn Diggings and the historic Danseys Pass Hotel where it's worth the stop for a coffee or refreshment. Danseys Pass is next with plenty of awesome sweeping gravel corners. Out onto the highway again takes us to Otematata for the night where we will chill out, tell some tales over a meal and a drink at the local pub.

Day 5 – Otematata-Christchurch - 390km

Two options for the trip back to Christchurch which will be decided on the day depending on weather conditions and river levels. Either a gravel blast up Hakataramea Pass, Mackenzie Pass and Burkes Pass to Fairlie, or over Lake Benmore dam then through Black Forest Station high country farm and onto the glacial lakes of Pukaki and Tekapo, where if the weather is fine will give majestic views of Aoraki Mount Cook. At Fairlie is a near-compulsory stop at the famous bakery for lunch or at any of the other local cafes to refuel the body. After Fairlie is on the highway to Geraldine and the inland scenic route back to Christchurch via the Rakia Gorge and Darfield. Arriving back at the depot late in the afternoon where the official part of the tour comes to an end.

(Please Note: The tour route may be subject to change slightly due to weather conditions, private farm operations, road closures, delays or any other unforeseen circumstances.)

Departure – The tour will arrive back at the Ultimate Adventure Moto NZ depot late afternoon or early evening on Day 5. It is not recommended to have flights or travel booked to depart that night in case of any unforeseen delays arriving back in Christchurch. A nights accommodation in Christchurch on Day 5 is recommended with departure the following day especially if flying internationally. This accommodation is not included in the tour and must be arranged by the individual tour participants. We can advise of local recommended accommodation providers if required.
